Dear Ehud and Nili:
A slightly delicate issue/request. I believe that under the terms of our agreement my additional $25,000 was by November 15 of last year. Given that
the project has lasted far longer than I (and possibly you as well) had expected, I had not been focusing solely on moving things forward so that we
could get Tim the manuscript he wants as soon as was practical. So I guess I'd lost focus on the more practical issues.
It would be fine if you could do the transfer as before in the States, though even better, from my point of view given cash concerns, if you could
transfer the Sterling equivalent to my UK account.
In any case, am planning to be in Israeli next week and look forward to catching up with you there.
Best wishes, and have a good trip back.
Chag sameach
Ned
